## Flu Shots at School

If you would like your student to receive a flu shot at school, please fill out the form completely, sign and return by 10/14. Only students who return a consent form will get a flu shot at school. The flu shot clinic for Indialantic Elementary Students will be Tuesday, October 20th. If you choose to have your child vaccinated at school, please have a conversation with your student so they are prepared and not upset or surprised. The flu shots are not being offered to eLearners at this time. We do not want to cause any undue stress to any children, so any student that is upset, refuses, asks for their parent, etc. If

your child is not vaccinated a form will be sent home to the parent indicating we were unable to vaccinate. More information can be found on the program sponsors website

## Masks

Kids and staff are doing a great job wearing masks, and adhering to social distancing rules. Parents, please model the behavior we wish to see by always wearing your mask when you visit campus for pick up and drop off.
